Internationale Tagung: Kartause Aggsbach August Zum Anlass des Geburtstags von James Hogg, Salzburg, S. I intend to write an explanatory text about the importance, influence and, yes, interest of this type of music that was generally regarded as the epitome of uncool, as the depth of banality and of bad taste, by virtually every rock and jazz musician I met when living in Sweden When I've written that piece, I'll put a hyperlink up .

There is nothing that can replace historic facts which when mixed with romance I have seen irate and sometimes irrational thinking customers brought around to become satisfied and long term customers. Perhaps the theory of black holes representing a hole into

another universe is correct and that the energy in this is coming from a "lower division universe" into ours via many many "black holes" of theirs. Lesson Our, your, their in German.
