**The Works of Christopher Marlowe, Vol. 3 (of 3) - Original & Unabridged & Special Edition (ANNOTATED)**

The episode is interesting as giving an early indication of that "push" which is generally regarded as characteristic of the people of Colorado. This urgency is not necessarily felt by the President or Congress and it is up to us to carry our message to policy makers and convince them that now is the time to support astronomical research, not to reduce the funding for our efforts.
