Any innocent mention of the chocolate-covered treat proves to be enough to spark a vicious debate, it seems, with readers arguing the specifics of "the rule" - the 11th commandment - which states that over time biscuits go soft and cakes go hard. This is a hot ticket, so take advantage of this while you still .

Dubin writes in an easy-to-read conversational style, unafraid of using per- Just think of the technology that might be on board the do-dads and gizmos and possibly the weapons. Wine jars have been found bearing what is apparently the world's earliest known marketing pun technically a blend Vesuvium combining Vesuvius and the Latin for wine, vinum. Kids, right. The satellite system was a problem.

We promise if you try it for a month, you will become a believer. The making of these films has become a subject in recent Italian cinema such as Carlo Lizzani's Celluloide a dramatization of the making of Open City or Maurizio Ponzi's dramatization of the wartime Italian film industry, A luci spente By and large the "rough" neorealist style was a well-planned reflection of both a serious social consciousness that wanted to tell the truth about an "Italy in rags", an aesthetic ideal that turned "ugliness" into art. The mutating animals and mutant powers the kids got was interesting, but it just didn't seem to go .
